

# DooraBag: Your Trusted Doorstep Home Services Partner

Concise overview of DooraBag— a modern, India-focused platform delivering certified appliance repairs and maintenance directly to customers' homes with a strong emphasis on speed, transparency and quality.

# What is DooraBag?

DooraBag is a professional home-appliance repair platform offering doorstep services across India. It connects customers to **certified technicians** for ACs, refrigerators, washing machines, microwaves and more — with a 100% service guarantee and warranty on every repair.

## Comprehensive Appliance Services

DooraBag covers the full lifecycle of common household repairs:

- AC — installation, gas filling, deep cleaning, emergency repairs
- Refrigerator — compressor repairs, gas refills, seal replacements
- Washing machine — motor, belts, drum issues for top and front load
- Microwave — heating problems, control-panel and door-lock fixes

# Geographic Reach

Available in 25+ cities across India. DooraBag operates with a localised approach – technicians are assigned per area to ensure faster response times and better coverage in urban and suburban neighbourhoods.
